

TANDUAY RUM

Our History

Tanduay's storied heritage began in 1854 as part of the fabled house of Ynchausti y Familia Compañía in the Philippines. Tanduay won its first international award in 1876, a Gold medal from the Exposition Universal, Paris. Since then, Tanduay has been highly regarded as one of the world's most distinguished rums. Crafted from premium heritage sugarcane varietals grown in the volcanic soils and tropical climate of the Philippine Islands, Tanduay truly embodies the bold, lively, and creative spirit that is distinctly Filipino.

Expression	750 mL	1 liter
